Specifically, with respect to patents, copyrights and rights in data:

1. Does your agency allow a contractor to have title?
2. Does your agency obtain the title?
3. Does a contractor obtain a license with the right to sub-license?
4. Does your agency hold title to any patents or copyrights?
5. If your agency does hold title to any patents or co-yrights, do you license them?

Very truly yours,
